Dear Psam Frank:

This is in response to your letter dated 24 November 2015 addressed to the Director of the Canadian Security Intelligence Service (CSIS).

The mandate of CSIS is to investigate activities suspected of constituting threats to the security of Canada, and to report on these to the Government of Canada. CSIS may also take measures to reduce threats to the security of Canada. These activities are conducted in accordance with well-defined legal requirements and Ministerial Direction. The Service is therefore unable to accept any aspect of your proposal.

Beyond this, CSIS cannot be of further assistance.

Sincerely,

Public Correspondence Unit  
Canadian Security Intelligence Service
